

NATIONAL ASSOCIATION OF STATE FIRE MARSHALS

31st Annual Fire Prevention & Safety Symposium SPONSORSHIP GUIDE

NASFM SPONSORSHIP 2021

Is your organization looking for a way to support improved public safety? The National Association of State Fire Marshals (NASFM) invites you to join us at our Symposium Exhibit Hall. Comprised of the most senior fire safety officials in each state, our members' responsibilities typically include code adoption and enforcement, fire and arson investigation, fire incident data collection and analysis, firefighter training and safety, public education, and advising elected and appointed government officials on public safety matters. Each year NASFM brings together State Fire Marshals and public safety officials from across the country at the annual Fire Prevention & Safety Symposium to share essential education, strategize on operational response and recovery issues, and explore emerging technologies impacting the fire service. Your participation and input are critical to the continued work of the Marshals and the organization, and to the success of the 2021 Symposium!

Join us at the [Stoweflake Resort & Conference Center in Stowe, Vermont September 14th–16th, 2021](#) to support the mission of the National Association of State Fire Marshals to protect life, property, and the environment from fire and related hazards.

The ROI of Becoming a Symposium Sponsor

"It's virtually impossible to coordinate schedules to meet each State Fire Marshal in their state. Yet, with minimal time and expense, we gain exposure to 30-40 under one roof".

Chris Roberts, President of GHS Companies and Brands, a long-time exhibitor
