

**Appendix 2**  
**National Association of State Fire Marshals**  
**Fire Research & Education Foundation**  
**“Conquering the ‘Unknowns’” Data Project**  
**Project Team and Advisory Committee Members**

Project Team:

The role of the Project Team is to conduct the research and work in fulfillment of all deliverables of the Project, with guidance from the Advisory Committee. The Project Director will additionally be responsible for all reporting and budget management. The first three members of the project team are members of the Executive Team for the project.
